This schedule is part of a new street sale initiative in the West Bend. We want your help to make this an annual event that gets better every year!

Hosting a yard sale is plenty of work if you have to publicize and promote it yourself, so we're here to help you with the hard part. Every weekend in the summer, a particular area of the West Bend has been selected for a neighbourhood street sale. If you have a garage or attic full of stuff you need to get rid of, simply set up a sale in your front yard on your specified date.

You will meet your neighbours, reduce your household clutter, and possibly make some great finds too!

This schedule is published on our website:
